This diagram shows an exploded view of a rectangular frame assembly. The main components are labeled as follows:

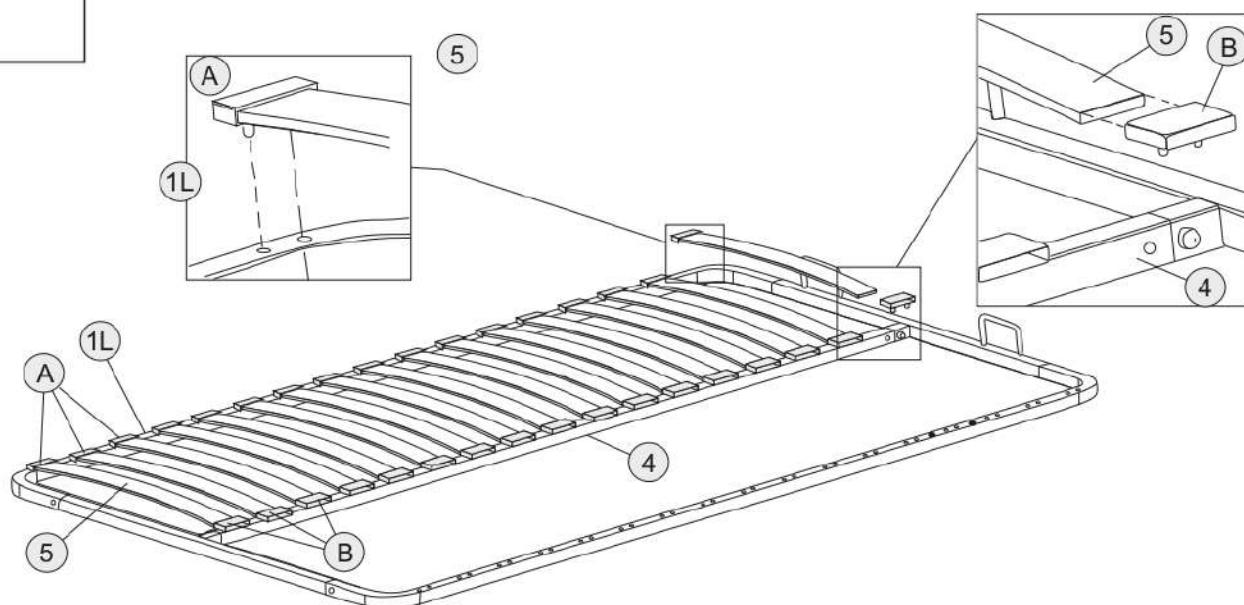

- 1L**: The left side rail of the frame.
- 1P**: The bottom rail of the frame.
- 2**: A corner bracket or clip used to join the side and bottom rails.
- 3**: A handle or latch mechanism attached to the side rail.
- 4**: A long, thin component, possibly a hinge or a support bar, located along the bottom edge.
- C**: Screws or bolts used for assembly.
- D**: Washers or spacers used between components.
- E**: Small circular components, possibly rivets or fasteners.
- F**: Small circular components, possibly rivets or fasteners.

The diagram includes two inset views: one showing a corner joint where components 1L, 1P, and 2 meet, and another showing a detail of the bottom rail (1P) with fasteners E and F.
