This diagram shows an exploded perspective view of a bed frame assembly. The main components are labeled as follows:

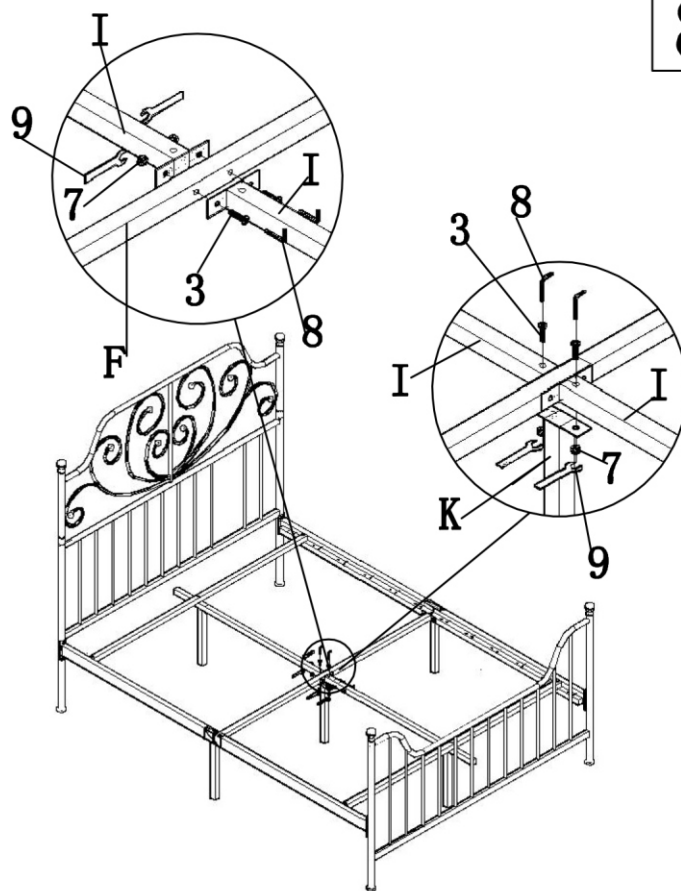

- A**: Headboard and footboard, featuring decorative scrollwork and vertical slats.
- B**: A long, narrow support rail with a central section of decorative scrollwork.
- C**: A side rail with vertical slats.
- D**: A long, narrow support rail, identical to B.
- E**: Corner brackets or end caps that fit onto the ends of the rails.
- 1**: A small, dark-colored fastener or pin.
- 8**: A larger, light-colored fastener or pin.

The diagram illustrates how these components are assembled. The headboard (A) and footboard (A) are connected to the side rails (C) and support rails (B, D) using the corner brackets (E). The fasteners (1 and 8) are used to secure the brackets and the rails together.
